

EM 3002

Kongsberg EM[®] 3002 News Bulletin

EM 3002 has reached End-of-Life.

The production stopped in 2013. EM 3002 as product is replaced by EM 2040 and EM 2040C. Obsolescence in materials and components result in stop in repair at factory. A limited number of spare units and spare parts are available, contact Customer support if interested.

Support information

Should you need support for your EM 3002 you must contact a Kongsberg Maritime office. A list of all our offices is provided on our website. You can also contact our main support office in Norway.

A 24-hour telephone support service may also be available depending on your Service Level Agreement.
