

KONGSBERG

Occupational Health and Safety Policy

Kongsberg Digital will follow all relevant rules and standards, concerning the protection of the Health and Safety of its employees and others who are involved in Kongsberg Digital activities, on both permanent and on temporary sites.

Kongsberg Digital want to prevent accidents, injury or loss of life of employees, customers and suppliers; creating a safe and healthy working environment. Therefor our ultimate goal is zero Health and Safety incidents.

Kongsberg Digital Management team shall facilitate achievement of these goals, and all employees shall actively participate in the Health and Safety work.

The importance of the protection of the Health and Safety at Kongsberg Digital equals that of any other major task undertaken by the company.

Kongsberg Digital will continuously strive to develop better processes for risk assessment and control activities for mitigating risks, as well as monitoring and reporting to what degree objectives are met within the Health and Safety area.

Our Occupational Health and Safety management system is in compliance with the international standard OHSAS 18001:2007.

Asker, 16th of November 2017

Hege Skryseth

President
